

IMSA WeatherTech SportsCar Championship and IMSA Michelin Pilot Challenge competitors participating in the 2020 Rolex 24 weekend will have the capability to purchase sites at \$550 per site. All IMSA WeatherTech SportsCar Championship teams are limited to a total of five (5) spaces per entry. IMSA Michelin Pilot Challenge teams are limited to a total of two (2) spaces per entry.

Each IMSA WeatherTech SportsCar Championship entry will have the opportunity to purchase a minimum of one motorhome space in the primary Driver/Owner lot for reservation forms submitted on or before Thursday, January 2. The remainder of the spaces in the primary Driver/Owner lot will be allocated based on availability. Once the primary lot is at capacity, teams will be parked in our designated infield overflow lot. In the event we receive more requests than spaces available in the infield, space will be provided in GEICO Park West located outside Turns 1 and 2 of the speedway. Both overflow areas have no hookups but generators are allowed.

Each IMSA Michelin Pilot Challenge entry will have the opportunity to purchase two motorhome spaces in the designated overflow lot (GEICO Park West) for reservation forms submitted on or before January 2. Best efforts will be made to allocate additional spaces requested per entry, but is not guaranteed based on availability.

Again, please note, all spots requested will need to be purchased in advance

To secure your Driver/Owner motorhome site(s), please complete the attached form and email it to Nicole Shinsky at nshinsky@daytonainternationalspeedway.com. All requests are due no later than Thursday, January 2, 2020.

Motorhome requests received after the January 2 deadline will be charged \$1,000 per space. As a reminder, all IMSA WeatherTech SportsCar Championship entries are limited to a total of FIVE spaces per entry and all IMSA Michelin Pilot Challenge entries are limited to a total of TWO spaces per entry.

Motorhome passes will be mailed in advance of the event and must be prominently displayed on the windshield upon arrival at Daytona.

Load-in begins on Tuesday, January 21 and all lots must be vacated by Noon on Monday, January 27.
