From: IMSA Competition  
Date: 01 November 2019  
Re: IMPC TCR 2020 Technical Regulations

---

IMSA has published the Technical Regulations for the IMSA Michelin Pilot Challenge as of today's date in Blackline and Redline forms for the TCR Class.

All cars will be held to these Technical Regulations for IMSA events.

After this date, changes to the IMSA Michelin Pilot Challenge Technical Regulations are issued via Technical Bulletin and an updated edition of the affected Technical Regulation(s) published, with an additional document showing the changes in red. The Blackline version is the Official Regulations.
