Re: Optional Live Barometric Pressure Reference System Test

One Daytona Blvd.  
Daytona Beach, FL 32114  
P: +1 (386) 310-6500

IMSA will operate an optional test of the live barometric pressure reference system for applicable DPi and GTLM teams during Practice #1 (10:05 am - 11:05 am, Thursday, January 23). The initial reading for the session will be set per the schedule published in the Event SR. The system test schedule is time certain and will operate regardless of track condition.

Practice #1 system test schedule:

Time	Action
Session Start	Start at measured baro (BPR)
10:20 am	Increase +3 mbar (BPR + 3 mbar)
10:35 am	Decrease -6 mbar (BPR - 3 mbar)
10:50 am	Increase +3 mbar (BPR)
