

IMSA TECHNICAL BULLETIN GT3 #20-01

To: All IMSA Porsche GT3 Cup Challenge Participants  
From: IMSA Technical Department  
Date: February 5, 2020  
Re: 2020 Technical Regulations

One Daytona Blvd.  
Daytona Beach, FL 32114  
P: +1 (386) 310-6500

---

IMSA has published the Technical Regulations for the Porsche GT3 Cup Challenge as of today's date in Blackline form for the Platinum and Gold Classes. The format of these regulations has changed to reflect the global Porsche format for 2020, no Redline version has been published.

All cars will be held to these Technical Regulations for IMSA events.

After this date, changes to the Porsche GT3 Cup Challenge Technical Regulations are issued via Technical Bulletin and an updated edition of the affected Technical Regulation(s) published, with an additional document showing the changes in red.

The Blackline version is the official Regulations.
