

IMSA COMPETITION MEMO IPC #20-10

To: All IMSA Prototype Challenge Participants

From: IMSA Competition

Date: May 28

Re: IMSA Prototype Challenge On-Track Testing Recommendations

IMSA strongly supports compliance with CDC, OSHA, local, state and federal government recommendations to prioritize the health and safety of our competitors and the surrounding communities, and recommends refraining from participating in private-on-track testing (and any activities that increase travel and interaction with others) during the 14 days prior to load-in for participation at any IMSA Event.
