

**IMSA COMPETITION MEMO IWSC #20-16**

To: All IMSA WeatherTech SportsCar Championship Participants

From: IMSA Competition

Date: June 9, 2020

Re: VP Hand Sanitizer

One Daytona Blvd.  
Daytona Beach, FL 32114  
P: +1 (386) 310-6500

---

Please see the below memo from VP Fuels.

Date: June 9, 2020

To: IMSA Competitors

From: Bruce Hendel, Vice President of North American Sales - Race Fuel & Consumer Products

Re: Protect your team with VP Hand Sanitizer

VP Racing Fuels will be providing two complimentary gallons of VP Hand Sanitizer to each team competing at the WeatherTech 240 at Daytona International Speedway on July 4<sup>th</sup>.

VP Hand Sanitizer is an 80% ethyl alcohol antiseptic formula consistent with World Health Organization recommendations and guidance from the FDA and CDC. According to the CDC, lab tests have shown that alcohol-based hand rub (ABHR) formulations, containing 80% ethyl alcohol, inactivate SARS-CoV-2.

IMSA teams can purchase additional gallons of VP Hand Sanitizer at special dealer pricing through the IMSA 2020 VP Racing Fuel Pre-Order form.

For technical questions, contact Chris Wall at (210) 861-1145.

Be sure to read the accompanying VP Hand Sanitizer product information sheet.

# HAND SANITIZER

## 80% ALCOHOL ANTISEPTIC

FORMULATED FOR INDUSTRIAL AND CONSUMER USE

Formula consistent with World Health Organization recommendations and guidance from the FDA and CDC. According to the CDC, lab tests have shown that alcohol based hand rub (ABHR) formulations, containing 80% ethanol, inactivate SARS-CoV-2.
