

IMSA COMPETITION MEMO IWSC #20-19

To: All IMSA WeatherTech SportsCar Championship Participants

From: IMSA Competition

Date: June 19

Re: IMSA WeatherTech 240 At Daytona Screening Schedule

In preparation for the upcoming IMSA WeatherTech 240 At Daytona Event, [the schedule for the health screening](#) required to enter the facility has been posted on the IMSA Competitors site.

Beginning on July 1, approved essential personnel should arrive at Gate 70 during the time specified, in order to be screened prior to entry. As you approach the health screening area please have the following items ready to expedite the process:

- All participants in the vehicle must be wearing a mask
- QR code must be available for scanning
- Credential in hand

Please respect all signage and instructions given by screening personnel.

Once inside the facility you will be directed to park in the triangle lot near the IMSA WeatherTech Championship SportsCar paddock, (Yellow Garage). Team personnel will not be permitted into the paddock until all Team transporters are parked and you have been notified by IMSA to enter (details to follow).

Your wait time in the parking area may be extensive due to the length of time required to screen and approve all essential personnel. Please be mindful of this and plan accordingly.

Americrown will offer catering during this time. To place an order and make arrangements for delivery, please see the [Americrown Order Form](#) on the Competitors Site. All Americrown orders must be placed by 12:00pm ET Tuesday, June 23.

For more information on the screening process, please see the [Event Operations Protocols](#).
