Re: IMSA WeatherTech Championship Lighted Number Panels, Sebring July

Please note, IMSA will enforce the lighted number panel requirements of Paragraph 5.9.2 of Attachment 5 for the Sebring July Event. Although the Event is not considered as taking place by night, number panels must be illuminated for the Friday Practice #1 and the Saturday Race sessions.

ATT. 5.

5.9.2. For Races taking place partly by night, Cars must be equipped with white light-emitting side number panels. The colored background must be cut out in the number shapes so that they are illuminated during the night.
