In preparation for the upcoming Advent Health 120 Event, [the schedule for the health screening](#) to enter the facility has been posted on the IMSA Competitors site.

Beginning on July 14, approved essential personnel should arrive at Gate 4 during the time specified, in order to be screened prior to entry. As you approach the health screening area please have the following items ready to expedite the process:

- All participants in the vehicle must be wearing a mask
- QR code must be available for scanning
- Credential in hand

Please respect all signage and instructions given by screening personnel.

For more information on the screening process, please see the [Event Operations Protocols](#).

Additionally, due to the absence of fans permitted in the Paddock, equipment tear-down may begin at 11:00 am on Friday, July 17.
