Autonomous Fuel Tank Inspection and Refueling Restrictor Declaration

- Entrants must complete the Refueling Restrictor Declaration via the MERG system within 1 hour of the end of IWSC Practice #2
- Complete autonomous fuel tank inspection will be performed in the assigned pit box as listed in the official schedule.
- Entrants must seal the declared restrictor and hose assembly prior to the start of the Recon Lap.
- Seals on the Autonomous Supply Tank, Trolley, Peripheral Connections, and Restrictor must remain intact until the conclusion of the Race or upon an approved retirement via TIMS.
- Restrictors, equipment, and seals will be checked randomly by IMSA Officials during and near the conclusion of the Race.
