[Michelin Motorsport Technical Bulletin](#) [GTD Tire allocation and Specification Changes](#)

Due to global motorsport schedule changes and associated impacts on Michelin's tire supply chain, the following changes are being made to tire specifications and allocations for the GT Daytona class for the upcoming events at Michelin Raceway Road Atlanta and WeatherTech Raceway Laguna Seca.

- GTD tire allocation for Petit Le Mans will be 18 sets, a reduction of 2 sets.
- GTD tire specification for Monterey SportsCar Championship will be S8M, rather than the S9M.
