2021 Tire Pricing

Michelin Motorsport North America would like to thank all the teams and IMSA for the collaboration in what was certainly a challenging season in 2020. It has been our pleasure to work with all the teams in the IMSA WeatherTech Sportscar Championship (IWSC), IMSA Michelin Pilot Challenge (IMPC) and IMSA Prototype Challenge (IPC) series over the past few years. And, we are excited to add the Porsche Carrera Cup in 2021.

The 2020 season has brought financial challenges to teams and manufacturers and technical partners like Michelin. Nevertheless, Michelin Motorsport North America is pleased to announce that tire pricing for the 2021 season will remain consistent to that of 2020.
