Date: November 17, 2020

Re: 2021 Entrant and Entry Application and Agreements

IMSA is pleased to open the 2021 Entry Application and Agreement process to our valued stakeholders. Upon review, IMSA has decided to not increase package and entry fees for 2021.

For 2021, Entrant may register online using IMSA's Membership Enrollment Registration Gateway (MERG).

- Before completing the 2021 Entry Application and Agreement, Entrants must submit an Entrant Application using [MERG](#).
- There are two levels of IMSA Corporate Membership: Premium and Standard.
- Premium Corporate Members are committing to enter all scheduled Events for the entire season.
- Standard Corporate Members are committing to enter into their selected Events during the season.
- In order to retain a previous Car number, a Premium Entry Applicant must submit and pay for their application by December 8, 2020.
- A link to the Entry Application is located in the Team Portal section of the imsacompetitors.com or by logging into [MERG](#).
