Re: IMSA WeatherTech Championship Supplemental Trailers, REVISED

To clarify Competition Bulletin #21-04, IMSA will make reasonable efforts to park Teams with a permitted supplemental Team support transporter adjacent to the Paddock and within the Competition Restricted Area (bubble) throughout the duration of The Roar Before The 24 and Rolex 24 at Daytona.

Teams with multiple supplemental Team support trailers, or if the adjacent paddock space does not allow, will park in DIS Lot 6 (map attached).

Team supplemental support transporters load-in at the end of WeatherTech Championship load-in on Wednesday, January 20 at 5:00 PM.
