CHEVROLET DETROIT GRAND PRIX

PRESENTED BY LEAR

JUNE 11-13, 2021

Dear Detroit Grand Prix Participants,

We look forward to hosting you at the 2021 Chevrolet Detroit Grand Prix presented by Lear, June 11-13. As we continue to emerge from the pandemic, we are excited to bring the Grand Prix back to Detroit and Southeast Michigan and host a limited number of fans in a safe manner. Following the unfortunate cancellation of our event in 2020 due to COVID-19, we thank you for helping to get the wheels turning again in our city and on Belle Isle.

We want to assure all our competitors that we will have proper safety protocols and practices in place throughout the weekend. As always, our goal is to ensure that everyone enjoys a safe, healthy and fun experience at the Grand Prix. With a smaller crowd in attendance and no fan activities planned away from the track in accordance with the current guidelines in the State of Michigan, the spotlight will be even brighter on the great on-track racing during the weekend.

We're proud that the Chevrolet Detroit Grand Prix presented by Lear once again features one of the most diverse lineups in motorsports in 2021, headlined by the annual Motor City doubleheader weekend on the NTT INDYCAR SERIES schedule – the Chevrolet Dual in Detroit – with races on both Saturday and Sunday afternoon. We're excited to also welcome back the exotic sports cars of IMSA WeatherTech SportsCar Championship competing in the Chevrolet Sports Car Classic on Saturday afternoon. For the first time since 2008, the Corvette Racing GT cars will compete at their "home" race with both C8.R Corvettes on track in the Chevy Sports Car Classic. We also look forward to seeing the future stars of INDYCAR racing on the Belle Isle street circuit for the first time in nine years with Indy Lights Presented by Cooper Tires racing on both Saturday and Sunday.

The Grand Prix continues to be an important event to the Metro Detroit region, generating millions of dollars in total spending annually. In addition to the economic impact, the Grand Prix – a subsidiary of the Downtown Detroit Partnership – has made more than \$13.5 million in improvements to Belle Isle since the event returned to Detroit in 2007.

As we begin our preparations to host all of the teams on race weekend, we want to make sure that everything is in order well in advance of your arrival. Enclosed you will find this year's Team Reference Guide, including team hospitality and motor coach information. We ask you to please review the guide and let us know if you have any questions. We look forward to receiving your information by the deadlines indicated in the materials.

Thanks again for participating in the 2021 Chevrolet Detroit Grand Prix presented by Lear and for your attention to the enclosed information. We are excited to welcome you back to Detroit and Belle Isle this summer!

Sincerely,

Michael Montri
President, Chevrolet Detroit Grand Prix presented by Lear
