Re: Rolex 24 At Daytona Tire Logistics

On Saturday, Jan. 29, 2022 through the conclusion of the Rolex 24 At Daytona or the Car's retirement, all Team tires must only be located at: Michelin, in transit, in a Team's supplementary working space outside of their transporters, in the Team's Paddock garage, pit box, or installed on the Car.

Mounted tires are prohibited inside any transporter.

Only un-mounted tires are permitted inside the Team's transporter.

Non-compliance may result in confiscation of tires and/or additional penalties.
