Date: March 15

Re: IMSA Michelin Challenge Paddock Circulation Maps

One Daytona Blvd.
Daytona Beach, FL 32114
P: +1 (386) 310-6500

The following maps must be adhered to for paddock and pit lane circulation. Please note the specifics of the respective paddock and pit box locations, as well as the sessions and/or days of enforcement.

Please be aware that traffic in the WEC paddock flows west to east (Turn 17 to Turn 16) and be respectful of spectators and team members at all times. Slow down.

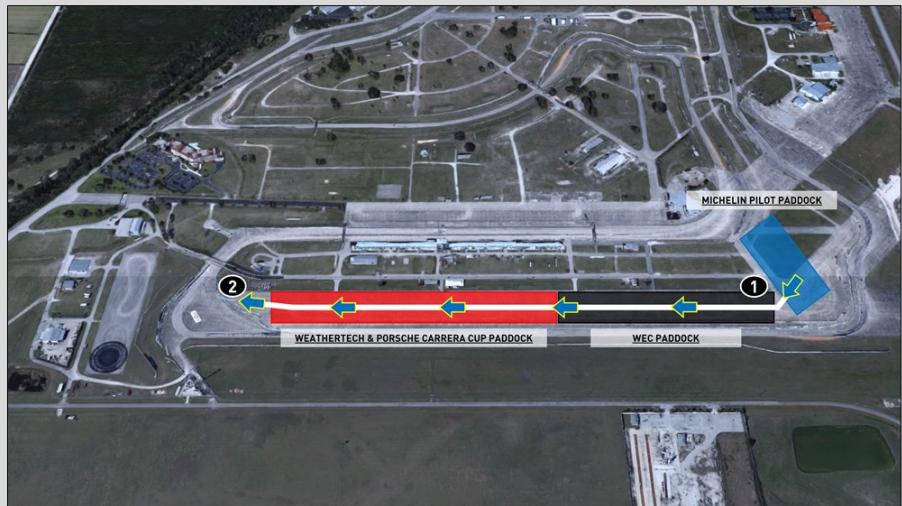

For any questions, please see your respective Series Manager.

» TO FALSE GRID FROM Paddock | IMPC

Directions

1. Exit IMSA Michelin Pilot paddock and proceed west, through paddocks, towards Turn 17
2. Enter False Grid

One Daytona Blvd.
Daytona Beach, FL 32114
P: +1 (386) 310-6500

» FROM PIT LANE TO PADDOCK | IMPC

Utilization of Route

- All teams located in the IMPC paddock

Directions

1. Enter Pit Lane continuing under crossover bridge
2. Turn driver's right to access road just past bridge
3. Enter IMSA Michelin Pilot Challenge paddock

» FROM PIT LANE TO PADDOCK | IMPC

Utilization of Route

- Teams located in the IMSA WeatherTech SportsCar Championship paddock
- Teams with a pit box located before crossover bridge
 - BGB #83
 - Nolasport #47
 - NTE Sport #12

Directions

1. Enter Pit Lane continuing to end of pit lane structure
2. Turn driver's right at end of structure, prior to crossover bridge
3. Enter WEC paddock and turn sharp right under WEC illuminated arch - turn is very tight, please use caution

» FROM PIT LANE TO PADDOCK | IMPC

Utilization of Route

- Teams located in the IMSA WeatherTech SportsCar Championship paddock
- Teams with a pit box located beyond the crossover bridge
 - FastMD #38

Directions

1. Enter Pit Lane continuing under crossover bridge
2. Turn driver's right after crossover bridge
3. Enter WEC paddock and turn sharp right – turn is tight, please use caution
