Appointments are strongly encouraged. Test results will be sent to the patient's preferred email address within twenty-four (24) hours after specimen collection. Please schedule accordingly to align with your travel schedule.

Due to staffing and supply pressures, along with new testing compliance regulations, the fee for a professionally administered at-track Rapid PCR test will be \$250.00 USD and \$100.00 USD for antigen tests.

The fee will be due at the time of testing, payable via credit card.
