GENERAL - EVENT / TRACK INFORMATION - ALL SERIES, CONT.

- 17. Noncompliant Trailers:** Teams with trailers outside their permitted Paddock allowance per IMSA regulations (i.e., tag trailers) are granted a short timeframe to enter the Paddock to offload equipment. The specific timing of this movement and offloading will be solely determined and communicated by IMSA Logistics at a later date. These noncompliant trailers must then exit the Paddock and park in an area designated by IMSA, likely outside the track itself, until the conclusion of the Event, when the trailers may re-enter the Paddock to load, no earlier than 30 minutes after the respective Race checkered flag. Teams with noncompliant trailers must contact their respective IMSA Series Manager and IMSA Logistics to declare their intent in advance of staging.
- 18. Facility Restrictions:** Pit Lane service lane traffic is one-way, from pit-out toward pit-in. Also, see the track's "General Rules" posted at imsacompetitors.com.
- 19. Parking Procedure:** IMSA Annual Parking Passes (hang tags) are accepted for Team parking in designated areas (see map). If needed, limited additional parking passes may be picked up at IMSA Registration.
