

EVENT INFO

IMSA DIRECT INTERNET

1.1 OVERVIEW

At Daytona International Speedway, IMSA Direct Internet (IDI) will be available exclusively to all IMSA WeatherTech SportsCar Championship teams and IWSC affiliated OEM premium supports.

Orders for IDI at Daytona must be submitted prior to 6:00 PM EST on Thursday, January 12. To submit your order, please visit <https://merg.imsa.com> and go to Services > Internet.

1.2 PIT LANE / PADDOCK DETAIL

Pit Lane IDI will be provided through the IMSA routers currently used to provide Timing and RCNS (instant messenger). The hours of operation will be approximately one (1) hour prior to the first scheduled IMSA session each day and conclude approximately one (1) hour after the last scheduled IMSA session of the day.

For Paddock IDI, each team will need a network router to connect more than one computer to the *IMSA TP-Link* switch located at transporter.

IMSA will provide an open ethernet port on the *IMSA TP-Link* switches along the transporter line for each team that signs up for IDI. Service will start on Tuesday, January 17 and conclude on Monday, January 30.

1.3 SUPPORT

Please utilize teamsupport@imsa.com as the primary way to submit any questions and support requests. Doing so will give you greater access to the IMSA technical support team both on-site and off-site.
