Re: Additional Trailers Logistics Plan

One Daytona Blvd.
Daytona Beach, FL 32114
P: +1 (386) 310-6500

- **Access - Teams with declared additional trailers are permitted access to offload equipment on Thu., Jan. 19 from 10:00 am - 12:00 Noon per Event SR item #17* (IWSC, IMPC and VPRC).**
 - Drivers must be at Lot 6 staging and at their vehicles (30) minutes prior to the scheduled load-in time.
 - All trailers are escorted to the offloading area on the Truck Pad by DIS Security.
 - Offloading (and loading) is permitted only in designated location; deviations are subject to penalty.

**GTP Teams with additional trailers are permitted access to offload Tue., Jan. 17 from 8:00 am - 10:00 am.*
- **Offloading - additional trailers must vacate the offloading area no later than 12:00 Noon.**
 - Trailers may depart the track or return to the designated parking area in Lot 6.
 - If opting for Lot 6:
 - Team specific identifying markers (i.e., decals, labels, etc.) on the trailer/truck are required.
 - Trailer parking is only permitted in the area as marked on the map and in an orderly fashion.
 - This area remains accessible by Team members throughout the Event.
- **Loading - trailers are permitted to re-enter the track for loading as outlined below:**
 - IWSC; only after 6:00 pm Sun., Jan. 29 and must vacate by 12:00 Noon, Mon., Jan. 30.
 - Loading is on the Truck Pad (trailers/vehicles prohibited in the Paddock).
 - IMPC; only after 6:00 pm Fri., Jan. 27 and must vacate by 9:15 pm.
 - Loading area location is TBD, per IMSA Logistics.
 - VPRC; only after 4:30 pm on Sun., Jan. 22 and must vacate by 8:30 pm.
 - Loading is on the Truck Pad (trailers/vehicles prohibited in the Paddock).
