COMPETITION MEMO

Subject: IMSA Required Safety Light System

Dear Super Trofeo Competitors

Please find the following link to Purchase the Mandatory IMSA Required Safety Light System.

<https://www.imsa.com/competitors/2023-1st-electronics-ordering/>

Some Teams may have the Safety Light System Wiring Harness from 2022 Competition which is still valid but you will need to purchase the IMSA SAFETY LIGHT TRANSPONDER BOX for 2023 competition.

There will be a limited number of MSE systems available for purchase trackside from the IMSA Engineering Trailer. If you plan to collect your system at track please still go ahead and place your order through the website.

Apologies for the short notice of this Memo.

Best regards,

Super Trofeo Coordination Team.
