Re: IMSA GTP Spin Test Data Submission Deadlines and Procedure – Indy Test

One Daytona Blvd.
Daytona Beach, FL 32114
P: +1 (386) 310-60

For the duration of the applicable Event, LMDh TR Appendixes Article 8.7.2.a shall be applied as follows for all forms of Torque Sensor Offset Test (spin test) data submission via Bosch Race Connect . Entrants are required to perform drive axle spin tests according to the requirements of Article 8.7.2.a. Procedure is detailed on the following pages. Tests are permitted to be completed in the Entrant's paddock area by the Entrant's staff. Spin test data must be submitted by GTP Teams no later than the following times below:

Spin Test Submission Schedule		
Date	Deadline	Session
7/27/2023	3:00 PM	Pre S1
7/29/2023	7:00 PM	Post S4

*Impounded Cars' spin tests are due 30 minutes after release from Impound
