Michelin Motorsport Technical Bulletin

GS Tire Specification Change

Michelin has produced a revised construction of the 30/65-18 tire for use in GS for the 2024 IMSA Season. This new tire, designated S9M+, is to be used by all GS class teams running a 30/65-18 fitment in the IMPC series. Use of S9M spec tires in the 30/65-18 fitment will not be permitted in IMPC for 2024.

| GS Revised Tire Specifications | | |
|--------------------------------|----------------|----------------|
| Tire Fitment | Tire Spec 2023 | Tire Spec 2024 |
| 27/65-18 | S9M+ | S9M+ |
| 30/65-18 | S9M | S9M+ |
| 30/68-18 | S9M | S9M |

The 30/65-18 S9M+ tire will be available for purchase on October 18th, 2023 following the 2023 IMSA Event at Road Atlanta.
