Michelin Motorsport Technical Bulletin

GSX Tire Specification Change

Michelin has produced a revised construction of the 30/65-18 tire for use in GSX for the 2024 IMSA Season. This new tire, designated S9M+, is to be used by all GSX class teams running a 30/65-18 fitment in the VPRC series. Use of S9M spec tires in the 30/65-18 fitment will not be permitted in VPRC for 2024.

GSX Revised Tire Specifications		
Tire Fitment	Tire Spec 2023	Tire Spec 2024
27/65-18	S9M+	S9M+
30/65-18	S9M	S9M+
30/68-18	S9M	S9M

The 30/65-18 S9M+ tire will be available for purchase on October 18th, 2023 following the 2023 IMSA event at Road Atlanta.
