From: IMSA Competition
Date: November 30, 2023
Re: 2024 GS Loom Certification and Logger Unlock

One Daytona Blvd.
Daytona Beach, FL 32114
P: +1 (386) 310-6500

Per GS Technical Regulations Article 8.2, the XAP NTX dash serves as the Scrutineering Logger in the GS class. This functionality will require an annual logging unlock from Creative Motorsports Solutions, which carries a cost of \$200 USD, at the start of every Season or before the Car's first Event of the Season.

Entrants who already own an NTX dash must send their displays to CMS for the mandatory logging unlock. Entrants who have not yet purchased the NTX dash must contact sales@gomuchfaster.com to request the logger unlock as an add-on. The link to the XAP NTX logging unlock can be found [here](#).

All Entrants must send their Cockpit Looms to Creative Motorsports Solutions for annual certification. This carries a cost of \$125 USD and is required before the start of the 2024 season. The turnaround time for this is approximately 14 working days and certification will commence December 14, 2023. The link to the loom certification can be found [here](#).

Cockpit looms and XAP NTX's should be shipped to the following address:

Creative Motorsports Solutions USA LLC

222 Oakridge Blvd.

STE 120

Daytona Beach, FL 32118
