IWSC TECHNICAL BULLETIN #24-07

To: All IMSA WeatherTech SportsCar Championship GTP Participants
From: IMSA Competition
Date: November 30, 2023
Re: IMSA GTP Regulatory Control Diagram Update

Per Article 8 of the LMDh Appendixes, the IMSA GTP Regulatory Control Diagrams utilized by the IMSA Scrutineering Logger for enforcement of LMDh Power, Energy, and Differential regulations have been updated with **Release 2421 v01** and is effective immediately. This latest release is available on NASCAR ShareFile solely to GTP Entrant Representatives and nominated GTP Manufacturer Representatives.

Questions regarding access to the ShareFile system should be directed to imsaengineering@imsa.com
