

IWSC TECHNICAL MEMO #24-05

To: All IMSA WeatherTech SportsCar Championship GTD-PRO and GTD Participants
From: IMSA Competition
Date: December 14, 2023
Re: 2024 GTD-PRO and GTD Leader Light Panel Update

One Daytona Blvd.
Daytona Beach, FL 32114
P: +1 (386) 310-6500

Due to mandatory updates, IMSA requires all existing GTD/GTD-PRO teams with Version 1A XAP Leader Light panels to return them to CMS. These updates are complementary to Entrants. Once the panels are received, the turnaround time will be approximately 1-2 weeks. Teams should plan accordingly. Version 1A panels were sold prior to March 13, 2023, and can be identified through the back of the panel as pictured below:

Panels should be shipped to the following address and should include a return shipping label:

Creative Motorsports Solutions USA LLC

222 Oakridge Blvd.
STE 120
Daytona Beach, FL 32118
