

# IMSA DIRECT INTERNET

## 1.1 OVERVIEW

IMSA Direct Internet (IDI) will be available exclusively to all IMSA WeatherTech SportsCar Championship teams and primary Industry Supports at the Roar Before the Rolex 24 and the Rolex 24 at Daytona International Speedway.

Orders for IDI at Daytona International Speedway must be submitted prior to 6:00 PM EST on Thursday, January 11. To submit your order, please visit <https://merg.imsa.com> and go to Services > Internet.

## 1.2 PIT LANE / PADDOCK DETAIL

Pit Lane IDI will be provided through the IMSA routers currently used to provide Timing and RCNS (instant messenger). The hours of operation will start one (1) hour prior to the first session of each day and end thirty (30) minutes after the last session of each day.

For Paddock IDI, each team will need a network router to connect more than one computer to the *IMSA TP-Link* switch located at transporter. IMSA will provide an open ethernet port on the *IMSA TP-Link* switches along the transporter line for each team that signs up for Internet service. Service will begin on Thursday, January 18 at 7:00 AM and will conclude approximately three (3) hours after the conclusion of the Rolex 24 race.

## 1.3 SUPPORT

Please utilize [teamsupport@imsa.com](mailto:teamsupport@imsa.com) as the primary way to submit any questions and support requests. Doing so will give you greater access to the IMSA technical support team at large in addition to those onsite.
