

Corcentric and Michelin created an **Exclusive National Account** that offers fleet pricing for all Michelin Motorsport partners, including **Light and Commercial Trucks**.

PARTNERING FOR THE FUTURE, HERE IS WHAT YOU CAN EXPECT!

WITH PERFORMANCE

- Products that produce one of the industry's best total cost of ownership from Michelin and BFGoodrich® tires
- Retread process that is the most stringent in the industry with leading tread performance
- Solutions that keep you running at optimum levels

WITH PRICING

- Special Program pricing on new Michelin and BFGoodrich®* Truck Tires, MRT Retreads and tire related services such as mounting, dismounting, balancing, and valve stems, which offers nationwide consistency at home and on the road
- Corcentric and Michelin offer this exclusive partnership under a national account pricing structure, typically only afforded to large fleets. All billing transactions will be via bank draft

WITH THE NETWORK

- Highly trained, TIA certified service professionals to help maintain your fleet
- Over 1,000 locations of service with the Michelin Commercial Service Network
 - Emergency roadside service to ensure you are at the starting line come race time

WITH INNOVATION

- Constantly improving our product and service offers to give you the most out of your tire assets

WITH EXPERTS

- Access to account managers who are highly trained in maximizing your tire program's total return.
- Access to some of the best technical resources in the industry through our Field Engineers
