OUR HISTORY & PHILOSOPHY

OUR HISTORY

Motorsport is a fairly new addition to Automobili Lamborghini. Squadra Corse was initially formed in 2013.

As a customer racing programme, the sole purpose of Squadra Corse, is to provide products and support to our customers to ensure that they have everything needed to win on track.

Starting with the Gallardo Super Trofeo in 2009, Squadra Corse develops cars for the track, based on already successful road car platforms. The latest iterations being the Huracán Super Trofeo EVO2 and Huracán GT3 EVO2.

Data gathered on track feeds back to Lamborghini's research & development team, supporting further development of our road cars. Despite its young age, with a strong motorsport product range and a dedicated and passionate team, Lamborghini Squadra Corse has achieved some of the greatest accolades in international GT racing.
