Re: IMSA WeatherTech Championship Sporting Regulations Updates

---

The following corrections, additions (where shown in red) or deletions are made to the 2024 IMSA Sporting Regulations & Series Supplementary Regulations for the IMSA WeatherTech Championship and are effective immediately.

### ATT 9

9.2.2. Unless stated otherwise in these Regulations, Testing must be carried out on tires of the specifications declared for the corresponding Championship's Competitions. Upon the agreement between the Competitor and the tire manufacturer, it will be allowed to use 2022 specification, with a maximum of two (2) tire sets (eight (8) tires) per day per Team; those tires will be counted within the allocations defined in Par. 9.2.3. **Upon the agreement between the Competitor and the tire manufacturer, it will be allowed to use development tires, with a maximum of three (3) tire sets (twelve (12) tires) per day per Team; those tires will not be counted within the allocations defined in Par. 9.2.3. Those development tires will be supplied free of charge to the concerned Team.**

The 2024 IMSA Sporting Regulations and Series Supplementary Regulations for the IMSA WeatherTech Championship shall be updated with the information herein and reissued as of April 10, 2024.
