

Welcome to this year's racing season at Livingston International!

We are pleased to have the opportunity to assist you with your return trip to the US after your win in Canada.

Please read the following instructions carefully to ensure a smooth journey:

1. The email address for your race team contacts is LAG@livingstonintl.com. Please direct all correspondences to that address so your team may address your needs.
2. Please provide all required paperwork **no later than 7 days prior to your return trip to the US**.
3. Please ensure that all paperwork is completed legibly and in full.
4. Please make sure to include all contact information for your team.
5. After you return to normal operations at your home base, please scan a copy of the US Customs-signed CF4455 (certificate of registration) and email it to LAG@livingstonintl.com

As with every race season, we strive to create and certify your return US Customs entry and ACE electronic manifest at least 48 hours prior to your departure for Canada. We ask that you notify us of any changes to your US Customs entry or ACE electronic manifest (drivers, parts, trucks, etc) within that time.
