Re: DGP Promotor Message: Hot Track and New Street Bridge Access

---

Dear Paddock Members,

We are writing to inform you that today at 1:30 pm, the track will officially go hot for our much-anticipated Event car rides and track walk.

Due to the hot track, please note that the New Street Bridge, located to the west of the suite structure and between the Port Atwater and Beaubien Place Garages will be accessible during this time. This will allow Paddock members to enter and exit the facility conveniently and make their way back and forth between the Renaissance Center and parking garages accessible off of Beaubien Blvd.

Please be aware that the track will go cold at 7:00 PM, marking the end of today's activities.

Thank you for your attention, and we look forward to seeing you on the track!

One Daytona Blvd.  
Daytona Beach, FL 32114
