Re: 2025 Technical Regulations Release

---

Today IMSA is publishing the 2025 Technical Regulations for the IMSA VP Racing Challenge for the classes as indicated. The Blackline is the official version.

Following today's date, changes to the IMSA VP Racing Challenge Technical Regulations will be issued via Technical Bulletin.

GTDX as a new class is solely published as a Blackline.

**Note:** These Technical Regulations grant specific permissions for modification, change, or adjustment of the Specification of the Car. **Unless specifically defined as permitted, any modification, change, or adjustment is inherently prohibited.** This philosophy is clearly defined in the Foreword and specific modifications are defined in Article 7.
