Re: IMSA GTP, GTD, and GTD PRO Regulatory Control Diagram Update

---

Per Article 8 of the LMDh Appendixes and Article 7 of GTD/GTD PRO Technical Regulations, the IMSA GTP and GTD/GTD PRO Regulatory Control Diagrams utilized by the IMSA Scrutineering Logger for enforcement of GTP and GTD/GTD PRO Power, Energy, and Differential regulations have been updated with **Release 2429** and is effective immediately. This latest release is available on NASCAR ShareFile solely to GTP and GTD/GTD PRO Entrant Representatives and nominated GTP and GTD/GTD PRO Manufacturer Representatives.

Questions regarding access to the ShareFile system should be directed to [imsaengineering@imsa.com](mailto:imsaengineering@imsa.com)
