RE: 2025 Miami Tire Orders

Due to space limitations in the Miami paddock, Yokohama can carry only 3 sets of tires per entry to the event. After considering the input of team principals, Yokohama will bring the following to Miami:

One (1) set of rain tires per entry

Two (2) sets of slicks per entry

Teams must purchase any additional tires needed in advance and are required to transport them to Miami. Please contact TrackSide Performance by April 11, 2025 to purchase any tires beyond those listed above for Miami.

The price of tires ordered away from the track is listed on the next page. These prices do not include shipping and applicable taxes of the shipping destination. Tires will ship within 48 hours of ordering. To purchase tires, contact:
