Re: IMSA GTDX Success Ballast: Virginia International Raceway Event

One Daytona Blvd.
Daytona Beach, FL 32114
P: +1 (386) 310-6500

Per IMSA VPRC Sporting Regulation Attachment 2 and VPRC Competition Bulletin #25-06, IMSA has assigned the Success Ballast amounts in the table below to be added to the Driver's Car mass for the duration of the applicable Event by the following means:

- GTDX Success Ballast for the VIR Event is calculated in accordance with ATT. 2.
 - Zero (0) GTDX Success Ballast is attributed to the postponed CTMP Race #2.
- GTDX Success Ballast carried into the VIR Event is applicable for the entire VIR Event, including CTMP Race #2 Makeup.

GTDX	Driver	Success compensation		Notes
		Mass (kg)	Power (kW)	
	Jake Walker	+30	0	
	Adam Adelson	+15	0	
	Matias Perez Companc	+10	0	
	AJ Muss	+15	0
