- 1- All stickers provided by Lamborghini and listed in this guide must not be replicated or reproduced by the teams.
- 2- The areas marked by green rectangles are reserved exclusively for Lamborghini.
- 3- The Position of the Lamborghini dealer sticker is mandatory and must strictly follow the reference image on both sides of the vehicle  
Stickers are produced by the competitor according to these specifications:

Font: Lambotype Office  
Height: 30 mm

- 4- Drivers' names are produced by the competitor and must be clearly visible on both sides of the vehicle, with a minimum height of 22 mm.
- 5- No other stickers are allowed on the rear fin of the vehicle.
- 6- No other stickers are allowed on the side mirrors.
- 7- Race numbers within the number plates must be applied in a centered Position on the grey part of the plate.
- 8- The rear wing must remain in its carbon fiber finish and cannot be painted or covered.
- 9- It is forbidden to affix partners' logos of the same product category of the official ones.
