6. ACURA MSR (x3, L → R)

IMPORTANT REMINDERS:

- Staging to enter the Paddock originates from the pre-staging area at South Shore Launch Ramp. Transporters must depart pre-staging to arrive at the staging location, East Seaside Way (off Pine Ave.), no later than 6:30 am but no earlier than 6:00 am. See map for directions to South Shore Launch Ramp.
- Transporters must be staged in order and single file along East Seaside Way (a two-way, passable middle lane must remain open). See map for directions to Seaside Way.
- Due to local noise ordinance, please do not use horns and keep engine noise levels to a minimum. Drivers must remain in trucks and monitor CB channel 40.
- Load-in begins promptly at 7:00 am on Wed., Apr. 15. All transporters must be staged, in order, single file and monitoring CB channel 40 by 6:30 am. IMSA officials will direct transporters to the Paddock area and Paddock parking location. Transport drivers must have proper credentials for track access.
- Please be mindful of your staging order on E Seaside Way. The side of the road you are to be staged on (left side or right side, as outlined above) is important for load-in and movement flow.

IWSC LOAD-IN ORDER
ACURA GRAND PRIX OF LONG BEACH
 AS OF 04/14/26
