## IWSC TECHNICAL BULLETIN #26-43

To: All IMSA WeatherTech SportsCar Championship Participants  
From: IMSA Competition  
Date: June 17, 2026  
Re: Torque Sensor Offset Test Procedure Update – GTP, GTD, GTD-PRO

---

For the duration of the 2026 Season, telemetry must be powered on and transmitting from the car during a Torque Sensor Offset Test (Spin Test).

All Entrants must still log the test on the USB data stick and submit it through SharePoint.
